Phonics

This week we will be focusing on blending and segmenting cvc and ccvc words for reading and writing. We will go over all the tricky words we have covered and practise writing the phase 2/3 tricky words I, the, to, go, no, into, he, she, we, me, be, was, my, are, they, you, put.

English and Topic

We will be continuing our Traditional Tale topic with 'The Three Little Pigs' and we will be learning about Chinese New Year.

Maths

We will be saying the number that is one less than a given number and finding one less from a group of objects. We will also be using positional language giving directions using beebots.

What can you do at home?

1. Please practise writing cvc words (eg. Jug, cat), ccvc words (eg. ship, thin, flag) and cvcc (tent, fish). Words with three or four sounds.
2. Practise reading the tricky words we have covered. Mini flashcards are at the back of your child's sound book and you can look for the tricky words in books. Please practise writing the phase 2/3 tricky words.
3. Please listen to/read with your child and make comments in the reading record. Please keep this in their book bags each day as we regularly check these and update them once we have allocated a new reading book. Ideally your child should be reading with you five times a week.
4. Keep practising name writing using the school script and other letters, in particular 'n', 'm', 'h' and 'r' as we will be focusing on these letters in class.
5. Practise saying the number that is one less than a given number. Practise using positional language at home.
