## **Expectations for the end of Early Years**

The **seven areas of learning** outlined in the Early Years Curriculum lead into *17 'Early Learning Goals'* (ELG). These ELG's state the government expectation for Reception children at the end of their first year of school. Whilst these end goals are relevant to bear in mind, it is important that children do not miss out on the many developmental steps along the way.

The characteristics of learning running through and underpining **all seven areas** of learning and development focus on processes rather than outcomes. The three characteristics to which all learning is measured are identified as **playing and exploring**, **active learning and creating and thinking critically**.

Your child will be learning many new skills and we will be working with you on how best to support and help your child to achieve or exceed the goals by the end of the year.

Communication and language         ELG 1         Listening and attention         Early Learning Goal           Image: Communication and language         1         attention         Early Learning Goal         Children listen attentively in a range of situations. They listen to storie accurately anticipating key events and respond to what they hear wit relevant comments, questions or actions. They give their attention to what others say and respond appropriately, while engaged in another activity.           ELG 2         Understanding 2         Early Learning Goal Children follow instructions involving several ideas or actions. They answer 'how' and 'why' questions about their experiences and in response t stories or events.           ELG 3         Speaking 3         Early Learning Goal Children express themselves effectively, showing awareness of listener needs. They use past, present and future forms accurately when talkin about events that have happened or are to happen in the future. The develop their own narratives and explanations by connecting ideas or events.           Physical Development         ELG 4         Moving and handling         Early Learning Goal Children show good control and co-ordination in large and smat movements. They move confidently in a range of ways, safely negotiatin space. They handle equipment and tools effectively, including pencils for writing.           ELG 5         Health and self-care         Early Learning Goal Children know the importance for good health of physical exercise, and healthy diet, and talk about ways to keep healthy and safe. They manag their own basic hygiene and personal needs successfully, including dressin	7 Areas of		Aspect	Early Learning Goals

and going to the toilet independently				
				and going to the toilet independently.
Personal, social ELG Self- Early Learning Goal				
		6		Children are confident to try new activities, and say why they like some
	development			activities more than others. They are confident to speak in a familiar
			awareness	group, will talk about their ideas, and will choose the resources they need
for their chosen activities. They say when they do or don't need help.			Manasina	
ELG Managing Early Learning Goal				
		/	-	Children talk about how they and others show feelings, talk about their own and others' behaviour, and its consequences, and know that some
JUG TAX	A REAL SHOLE		DEHAVIOUI	behaviour is unacceptable. They work as part of a group or class, and
				understand and follow the rules. They adjust their behaviour to different
situations, and take changes of routine in their stride.				
ELG Making Early Learning Goal		ELG	Making	
			-	Children play co-operatively, taking turns with others. They take account of
				one another's ideas about how to organise their activity. They show
sensitivity to others' needs and feelings, and form positive relationship	1			
with adults and other children.				

Literacy	ELG	Reading	Early Learning Goal
Literacy	9	neuung	Children read and understand simple sentences. They use phonic
			knowledge to decode regular words and read them aloud accurately. They
			also read some common irregular words. They demonstrate understanding
			when talking with others about what they have read.
125	ELG	Writing	Early Learning Goal
Sturp .	10	writing	Children use their phonic knowledge to write words in ways which match
	10		their spoken sounds. They also write some irregular common words. They
			write simple sentences which can be read by themselves and others. Some
			words are spelt correctly and others are phonetically plausible.
Mathematics	ELG	Numbers	Early Learning Goal
Wathematics	11	Numbers	Children count reliably with numbers from one to 20, place them in order
	11		and say which number is one more or one less than a given number. Using
			quantities and objects, they add and subtract two single-digit numbers and
			count on or back to find the answer. They solve problems, including
30-0-	ELG	Shano shace	doubling, halving and sharing. Early Learning Goal
	12	Shape, space and measures	Children use everyday language to talk about size, weight, capacity,
	12	and measures	position, distance, time and money to compare quantities and objects and
			to solve problems. They recognize, create and describe patterns. They
			explore characteristics of everyday objects and shapes and use
			mathematical language to describe them.
Understanding	ELG	Deeple and	Early Learning Goal
Understanding the world	13	People and communities	
the world	12	communities	Children talk about past and present events in their own lives and in the lives of family members. They know that other children don't always enjoy
			the same things, and are sensitive to this. They know about similarities and
			differences between themselves and others, and among families,
Soft State			communities and traditions.
	ELG	The world	Early Learning Goal
1 Ber	14	The world	Children know about similarities and differences in relation to places,
and the second	14		objects, materials and living things. They talk about the features of their
			own immediate environment and how environments might vary from one
			another. They make observations of animals and plants and explain why
			some things occur, and talk about changes.
	ELG	Technologies	Early Learning Goal
	15		Children recognise that a range of technology is used in places such as
	15		homes and schools. They select and use technology for particular
			purposes.
Expressive arts	ELG	Exploring and	Early Learning Goal
and design	16	using media	Children sing songs, make music and dance, and experiment with ways of
		and materials	changing them. They safely use and explore a variety of materials, tools
			and techniques, experimenting with colour, design, texture, form and
			function.
<u> </u>	ELG	Being	Early Learning Goal
	17	imaginative	Children use what they have learnt about media and materials in original
		magnative	ways, thinking about uses and purposes. They represent their own ideas,
P 🔽			thoughts and feelings through design and technology, art, music, dance,
			role play and stories.
	1	I	

At the end of the reception year, a 'good level of development is defined by the government as achieving all the goals numbered 1 – 12. For this we would expect children to be independently demonstrating these skills (i.e. without support). The final goals (numbered 13-17) are also significant and count towards an overall score of developmental progress for each child. We realise that all children are individual and may require different levels of support in moving forward towards or beyond these goals during the year.
